

ANNEXURE – 1 to Endorsement No. 10 to CM/L-3034638

Sl No	Code Designation	Design	Size	Classification
1	I	A	5-12	Material of Upper- leather, Material of Vamp Lining -Non Woven, Material of Insole & Quarter Lining –Non Leather, Material of Tongue-Leather, Outsole-Single Layer (PU), Insole present/Full in-socks removable, water permeable, with addition requirement of penetration resistance and anti-static footwear
2	I	A	5-12	Material of Upper- leather, Material of Vamp Lining -Non Woven, Material of Insole & Quarter Lining –Non Leather, Material of Tongue-Leather, Outsole-Double Layer/Double Density (PU), Insole present/Full in-socks removable, water permeable, with addition requirement of penetration resistance and anti-static footwear
3	I	A	5-11	Material of Upper- leather, Material of Vamp Lining -Non Woven, Material of Insole & Quarter Lining –Non Leather, Material of Tongue-Leather, Outsole-Double Layer/Double Density (PU-Rubber), Insole present/Full in-socks removable, water permeable, with addition requirement of penetration resistance and anti-static footwear and resistance to Hot Contact
4	I	B	5-12	Material of Upper- leather, Material of Vamp Lining -Non Woven, Material of Insole & Quarter Lining –Non Leather, Material of Tongue & Collar-Leather, Outsole-Double Layer/Double Density (PU), Insole present/Full in-socks removable, water permeable, with addition requirement of penetration resistance and anti-static footwear
5	I	B	5-11	Material of Upper- leather, Material of Vamp Lining -Non Woven, Material of Insole & Quarter Lining –Non Leather, Material of Tongue & Collar-Leather, Outsole-Double Layer/Double Density (PU-Rubber), Insole present/Full in-socks removable, water permeable, with addition requirement of penetration resistance and anti-static footwear and resistance to Hot Contact
6	I	C	5-11	Material of Upper- leather, Material of Vamp Lining -Non Woven, Material of Insole –Non Leather, Outsole-Double Layer/Double Density (PU), Insole present/Full in-socks removable, water permeable
7	I	A	5-11	Material of Upper- leather, Material of Vamp Lining -Non Woven, Material of Insole & Quarter Lining –Non Leather, Material of Tongue-Leather, Outsole-Double Layer/Double Density (PU-TPU), Insole present/Full in-socks removable, water permeable, with addition requirement of penetration resistance and anti-static footwear
